Hello! We heard your organization is doing wonderful things to make Henry County a brighter area. Would you like more money so that you can continue making Henry County a better place?

We sell BBQ from our food truck to raise funds for great local causes. When a customer orders from our truck, they are given the choice between three local causes to support with their purchase. If you are one of our three causes, and they choose you, then you will receive 10 percent of their order along with 100 percent of any tip they leave. All we require from your organization is to provide volunteers to work in the food truck (at least one person per scheduled event).

To date, TLC Smokehouse has now raised over \$25,000 for great local causes just like yours in our community. On average, each of our chosen groups received *around \$700* the year they participated.

Apply today to be considered for one of our sponsored local causes this year; we will select three area charities for 2024. The deadline to apply is March 1st.

God Bless you in what you are doing for our communities,

for TLC Smokehouse Fundraising

A little bit about us...

Who are we?

Trinity Lutheran Church (TLC) Smokehouse is a food truck on a mission.

What is our mission?

Our mission is to support your organization by raising money through food sales from our food truck all summer and into the fall (April 1 – October 31) so that you can continue to make our community a little bit brighter.

How much money will we raise?

Each customer has a choice when they stop by our food truck - which charity they would like to support with their purchase. If selected, 10 percent of their sale and 100 percent of their tip will go to your cause. To maximize fundraising efforts, only two or three local causes will be offered.
